You Can't Have Art Without...

Sunday, October 8, 2023

10am – 6pm

Free and open to all creatively-minded youth – families and teachers also welcome.

Monday, October 9, 2023

9am – 2pm

Dedicated to group visits by school and universities only and anyone with a student ID.

Tuesday, October 10, 2023

9am – 2pm

Dedicated to group visits by school and universities only and anyone with a student ID.

Jameel Arts Centre, Jaddaf Waterfront, Dubai

Featuring more than 30 entities and booths manned by leading arts organisations and universities* Creative Careers Days gives creatively-minded youth, students (and teachers) a unique opportunity to meet and discuss ideas with key artists, curators and industry specialists.

Inspirational talks, informational workshops – including how to create and pitch your portfolio – and behind-the-scenes-at-the-museum tours run throughout the day.

Programmes highlight a diverse range of creative career pathways and opportunities to network within the speed interviews activation; options in tertiary education, locally and internationally; student and postgraduate open calls, residencies, internships and volunteering opportunities and more.

Students are invited to join career consultation sessions to receive expert advice and guidance on navigating the creative industries, while the Jameel Library displays a special range of resources on pedagogy and arts education for both students and teachers.

Creative Careers Days is supported by the Ministry of Culture and Youth UAE

The event features the participation of:

Dubai Institute of Design and Innovation

DIDI's Bachelor of Design (BDes) is the first multidisciplinary curriculum in the region offering four disciplines: Product Design, Multimedia Design, Fashion Design, and Strategic Design Management. The 4-year program begins with an immersive year exposing students to basic visual, digital, and entrepreneurship skills. Then, from their second year onwards, students combine two disciplines to create their own educational journey. The cross-disciplinary degree ensures graduates have adaptable and flexible skills for a rapidly changing design and digital job landscape. The BDes program combines visual literacy, technological fluency, and strategic proficiency. This means that DIDI students combine design expertise, engineering know-how, and business management skills throughout their educational journey. Within each course, whether a studio, workshop, or lecture, students engage in what DIDI calls the 4 Cs: Conceptualization, Communication, Crafting, and Care. The BDes program at DIDI is accredited by the Ministry of Education in the UAE, Commission for Academic Accreditation (CAA). DIDI will deliver fun design activities throughout the Creative Careers Day participation to help students pique their interest in creative fields as a career.

421

421 Arts Campus is a supportive space for emerging artists based in the UAE and across the Middle East, North Africa, and South Asia region. Located in Abu Dhabi's Mina Zayed, 421 presents a year-round program of exhibitions, talks, workshops, special events, and educational initiatives that offer accessible learning opportunities to the wider community and the general public. Many of the 421 programs are organised in collaboration with local, regional and international partners, engaging children, students, educators, and creative professionals in a participatory approach to artistic and creative practice. These programs are designed to develop artistic and creative skills, supporting the growth of the UAE's creative ecosystem. Stop by the 421 Arts Campus booth at Jameel Arts Centre during Creative Career Days to meet the 421 team and learn more about future opportunities in the arts!
